## PREAMBLE

This is a memorandum of understanding between the Fermi National Accelerator Laboratory Computing Division (CD) and The NOvA Experiment Collaboration (NOvA). The memorandum is intended to clarify the roles and responsibilities of the two parties in supporting the computing and data acquisition operations of the NOvA experiment based upon requirements agreed upon at the time of writing. Note that activities funded under NOvA project funds are specifically excluded from this MOU. The MOU will be reviewed and renewed in May of each year as
